

Neuro Imaging 2012 – Belfast

After a very successful Event in 2011 we are pleased to announce the follow-on of Neuro Imaging, which offers DGH consultants and registrars the opportunity to brush up on latest techniques and advances in Neuro imaging with some of Europe's best experts - enjoy specific workshops in small groups with individual consultants in Stroke, Spine, Intracranial Aneurysms, Acute Paediatrics, Skull base and Intracranial haemorrhage.

Designed specifically to cover all the areas you encounter regularly, this course puts you in a "Can Do" position.

Day 1 - Thursday
