

## CT COLONOGRAPHY

With Clinical Lead Dr. Rajeev Singh

It has become apparent that Radiographers and Advanced Practitioners are becoming more and more involved in the reporting of CT Colons as well as the scanning. We are therefore holding a three day course with the first day created for radiographers.

Plus two days for radiologists and reporting radiographers covering the 50 cases to be reviewed for Level 1 BSGAR cpd plus talks on key subjects such as 'Setting up a CT Colonography Service', 'Faecal Tagging' and 'Difficult Case Pathology'.

- Below is the initial planned programme and therefore subjects may change. For latest updates and Speakers please check the website, major updates will also be emailed •
